

BRENDA J. HURLEY, CMT, AHDI-F

Brenda has been a medical transcriptionist, an educator, compliance officer, and has served in a variety of transcription and management roles for nearly 40 years. She is currently an independent consultant in the medical transcription industry.

Brenda has been a member of the Association for Healthcare Documentation Integrity (AHDI) since 1981, and has been credentialed as a CMT for over 26 years, and received the designation of Fellow of AHDI in 2002. She served on the AHDI Board of Directors for a total of 12 years, and as its President in 1988 and in 1995. In 2005, Hurley was honored as the first recipient of the AHDI Distinguished Lifetime Achievement Award. She is the current AHDI Speaker of the House of Delegates.

Brenda has been a member of ASTM International since 1995. She is the current Secretary of the E31 Executive Committee and Chair of the E31.15 subcommittee, Health Information Capture and Documentation.
